

English Translation for the priority application is, for all practical purposes, the same as the application already examined. Therefore no further consideration is required.

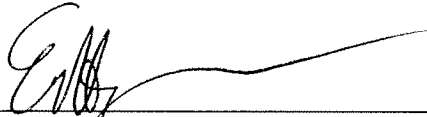

In summary, the Examiner was aware of Applicant's priority claim, and the filing of the verified English Translation of the priority application merely satisfies a procedural requirement, and does not require further consideration and/or search by the Examiner.

Accordingly, Applicant submits the application is now in condition for allowance.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR, & ZAFMAN LLP
